#### XVI. REMARKS FROM THE PUBLIC\*

### XVII. ADJOURNMENT

\*Time is provided for members of the audience to address the Board of Education regarding any topic including items on the agenda. The Board is providing two opportunities for the public to comment during the meeting. The first is for people who wish to bring issues to the Board of Education for board consideration. At the end of the meeting, the Board will provide a brief opportunity for community members to comment on activities and/or discussion that took place during the Board meeting. Time limits may be placed if a large number of individuals would like to address the Board.

<u>Note</u>: Upon request to the Superintendent, the District shall make reasonable accommodation for a person with disabilities to be able to participate in this meeting.

### Re: Above and Beyond Award Recognition

Dear Abbey,

Congratulations! You have been nominated to receive recognition for your contributions to Fruitport Community Schools! It is an honor and a privilege to acknowledge your efforts. The Board of Education was presented with the following information:

"Abbey exemplifies the spirit of service, innovation, and community connection that defines the Above and Beyond Award. Her extraordinary efforts have directly impacted students, families, and the broader Fruitport community. Over the past year, Abbey has initiated and led numerous impactful projects, including a summer school supply fundraiser that raised over \$1,700—thanks to her ability to engage local business support. She played a critical role in launching the inaugural Show Up & Glow Up event, securing sponsors and organizing a community resource fair with over 30 organizations.

Abbey has been a champion for student well-being through direct attendance interventions, meaningful caregiver engagement, and the creation of a mindfulness education series. Her programming offered accessible, hands-on strategies to reduce stress while supporting emotional regulation for both students and families.

She has secured over \$3,000 in Donors Choose grants, outfitting calming spaces, hygiene kits, a lending library, and even securing a washer and dryer for student use. Abbey's outreach has resulted in partnerships with numerous local businesses, bringing valuable resources—from feminine products to clothing drives—to support student success.

Her leadership in student-focused initiatives, such as the popular Fashion Club and mentoring programs, has provided vital opportunities for student connection and creativity. Abbey's work is tireless, intentional, and rooted in compassion. Her efforts not only go above and beyond expectations—they redefine them. It is with great appreciation and admiration that we recommend her for this well-deserved recognition."

Please accept this formal recognition and a big thank you for a job well done! We are fortunate to have dedicated people like you going "Above and Beyond" our expectations. Congratulations and thank you!

Sincerely,

President, Fruitport Board of Education

Superintendent, Fruitport Community Schools

Dear Superintendent Kennedy and Board President Hazekamp,

On behalf of the Michigan College Access Network, congratulations to **Fruitport High School** for being recognized as a **College Bound Michigan Champion Site** for **Michigan College Month** in the 2024-25 school year! This achievement is a testament to your team's hard work and, under **Jennifer Finnerty's** leadership, at least **80% of your seniors** applied to at least one college during **Michigan College Month (October).** 

This impact would not have been possible without your leadership, the dedication of your staff, and the exceptional efforts of **Jennifer Finnerty**, who has gone above and beyond to support students on their college journey.

College Bound Michigan (CBMI) is a statewide initiative that supports students through key postsecondary planning milestones: Michigan College Month (applications), the College Cash Campaign (FAFSA completion), and Decision Day (college commitment). By joining CBMI, your team has demonstrated a strong commitment to supporting students in their postsecondary journey and making college access a priority in your school.

Your commitment to expanding access to higher education aligns with our mission to promote equitable postsecondary opportunities for all students. By engaging in CBMI, you are helping to remove financial barriers, empower students to achieve their goals, and strengthen the future of our communities and workforce. We know that when school staff prioritize postsecondary planning, college enrollment increases—leading to more certificates and degrees, a more skilled workforce, stronger communities, and a thriving Michigan. This is how we'll achieve Sixty by 30.

To celebrate this accomplishment, we will be sending the school a banner to proudly display this achievement. Additionally, we will be issuing a press release recognizing Michigan College Month Champion Sites across the state and sharing your success with legislators to highlight the incredible work happening in your school.

We strive to support districts, school leaders, school counselors, and staff in your community to ensure that all students have the guidance and resources needed to explore and achieve their postsecondary goals. We encourage you to take advantage of these opportunities and reach out to Jeneen Hatoum (jeneen@micollegeaccess.org), Director of High School Innovation, to learn more.

Once again, congratulations to you and your team on this well-earned achievement! Thank you for your leadership and commitment to empowering students and supporting their futures.

Sincerely,

Ryan Fewins-Bliss Executive Director huge werk, Jasen!

Construction of a new Edgewood Elementary School to provide an updated, modern, and safe learning facility.

Safety system updates, including updated fire alarm systems. Improvements to Beach, Shettler, and FMS based upon the District's Master Facilities Assessment.

Separate bus and parent pick-up and drop-off loops at Edgewood and the ECC; Added parking and improved safety.

Renovation of a part of the current Edgewood building to convert it into an Early Childhood Center. Allows for District growth at Beach, Shettler, and the Middle School, while improving access to early childhood programs.

Upgrades to barrier free school playgrounds, and the construction of a new Ken Erny Soccer Field to serve as a multipurpose field for recess, physical education, recreation, and competitive soccer.

Purchase of vehicles and school buses to update the District's transportation fleet.

Aligns with the District's Master Facilities Plan for the Responsible Fiscal Management of our Schools.

# School finance group announces release of first-of-its-kind school infrastructure study

Statewide facility assessment in more than 500 districts addresses health, safety standards essential to student success

**LANSING, Mich.** — The nonprofit **School Finance Research Foundation** (SFRF) today announced the release of the **Statewide School Facilities Study**, a first-of-its-kind, comprehensive facility assessment of Michigan's school districts and ISDs. In 2022, the Foundation set out to complete the state-funded assessment of traditional K-12 school facilities statewide to meet basic facility health, safety and wellness standards essential to student success.

The historic Statewide School Facilities Study builds on the findings of the 2018 School Finance Research Collaborative study by analyzing school infrastructure needs statewide. The Collaborative produced Michigan's first comprehensive school adequacy study that determined the true cost to educate a child in Michigan regardless of income, location or other circumstances.

The Foundation study is a historic, comprehensive look at the actual cost of bringing Michigan's school buildings — many built prior to 1970 — up to basic standards to ensure a safe, healthy learning environment for students. Statewide, 2,534 buildings were evaluated to determine the cost for them to meet health, safety and wellness standards. The study engineers reviewed 89 individual components of school facility health and safety, and collected data in each participating school, including:

- o **HVAC**, including boilers, ventilation, piping and temperature controls
- Roofing
- Electrical, including emergency lighting, exterior building lighting, fire alarms, security cameras and emergency generators

- o **Plumbing**, including toilets, sinks, faucets and water heaters
- Exterior closures, including exterior walls, windows, exterior doors, overhead doors, and secure entry points
- Interior construction
- Fire protection
- Site improvements
- Floor construction framing, roof construction framing and canopies
- Other building components, including foundations, tunnels, staircases, elevators, window treatments, auditoriums and kitchens

In total, the study identified a \$22.8 billion gap in funding related to basic building health, safety and wellness standards over the next decade. It would require a \$10.9 billion investment to bring our schools' existing HVAC systems and roofs up to standards.

"This study will help educate the policymakers, school community and general public about the critical infrastructure needs facing so many of our schools," said **Steven Ezikian**, SFRF executive director. "We look forward to working with school leaders across Michigan to make school facilities an important part of the school funding conversation in 2025 and beyond. We encourage policymakers, school leaders, members of the media and the public to use this groundbreaking study as a resource for shaping important public policy discussions that affect our students for generations to come."

The study is the culmination of two years of research and 95,000 collective hours spent assessing buildings across Michigan. Roughly 1,500 engineering and other professionals assessed 243 million square feet of building space statewide.

"As educational leaders in Michigan, the health, safety and wellness of our students is our top priority," said **Dr. Daveda Colbert**, Wayne RESA superintendent. "And we know from experience and research that the condition of our schools and facilities, things like temperature, ventilation, and air quality just to name a few, are key factors in health and morale, which lead to educational success. This historic report will provide education leaders and elected leaders with detailed building-level information that can further inform their decision-making and contribute towards the state's understanding of the true costs of educating our students."

"Students deserve to learn in schools that meet safety, health and wellness standards," said **Ken Gutman**, Oakland Schools superintendent. "The SFRF comprehensive facility assessment illustrates there is much work to do to ensure every student in Michigan has access to a facility that helps them learn, grow and achieve."

"Study engineers completed a comprehensive review of 89 individual components of school facility health and safety, and collected data in each participating school, such as HVAC, roofing, and electrical and plumbing upgrades," said **Dr. Steven Tunnicliff**, Genesee Intermediate School District superintendent. "These are the basic needs to help ensure our students are safe, warm and dry every school day and highlight the magnitude of our building infrastructure needs."

"This groundbreaking analysis assesses school building conditions across the state, with a strong focus on student health, safety and well-being," said **Jason Mellema**, Ingham Intermediate School District superintendent. "As a proud SFRF Board member, I recognize this as a critical step toward ensuring all Michigan students have access to safe, high-quality learning environments while also providing actionable solutions to address these challenges."

"The significance of this first-of-its kind comprehensive Statewide School Facilities Study cannot be overstated," said **Doug Leisenring**, Delta-Schoolcraft Intermediate School District superintendent. "This was the first time we've taken a hard look at what it would cost to bring our school buildings up to standards that support a safe, healthy learning environment. The findings of our study help fill a major gap in Michigan's current school funding model and provide important data for policymakers and educators."

"While this data gives us an invaluable look into the condition of Michigan's schools, there is more work to be done," said **Dr. Nick Ceglarek**, Northwest Education Services superintendent. "It will take a collective effort from legislators, school officials and community leaders to make the investment needed to ensure facilities are maintained to a standard suitable for the health, safety and well-being of our students and staff."

"It will take a collective effort from our legislators, school officials and community leaders to make the investment needed to ensure our schools are maintained to basic standards to help all students achieve and succeed," **Dr. Stephen McNew**, Monroe County Intermediate School District Superintendent.

The study covers traditional K-12 school building needs. It does not assess administrative, athletic, playground or transportation facilities, additions, renovations or remodeling, replacing interior finishes or parking lots, or buildings only dedicated to preschool or adult education programs. With these results in hand, local districts, school boards and communities will have the best data to make decisions on investing in their school building needs at the local level.

# District-Wide Report: FRUITPORT COMMUNITY SCHOOLS

The on-site facility condition assessments (FCAs) included in this study were completed by:

Owen-Ames-Kimball Co.

### Use and Limitations for the Report

- 1. Intent. As set forth in Section 11y of the State School Aid Act of 1979, this facility condition assessment (FCA) is intended to help determine the most cost-effective way to improve the health, safety, and wellness of the subject facility (the "Facility"). This FCA is not intended to be relied upon by the participating district or any other party for the identification or the implementation of any corrective action of any specific life-safety or code compliance issues.
- 2. Noninvasive Representative Observations. This FCA is not an exhaustive facility inspection. Rather, the FCA is based on noninvasive, representative observations of a reasonable number of typical building conditions for specified components and information the district provided. Unidentified and unreported conditions may exist that may impact the health, safety, or wellness of a building or its reported repair cost. Although the project team has taken steps to promote uniformity between the professionals conducting the FCAs, determinations of needs as critical, near-term, or long-term are, in part, based on the professional judgment of the team conducting the FCA. Accordingly, opinions may differ regarding the classification of needs. The following building components, among others, were not observed during this FCA: toilet partitions, toilet accessories, casework, lockers, folding walls, markerboard, wall finishes, floor finishes, ceiling finishes, gas lines, ductwork, primary electrical service, general outlets, gym equipment, interior lighting, clock systems, sound systems, scoreboards, appliances, asbestos, paving, playing fields, site storm sewer system, site fuel supply, site electrical supply.
- 3. Cost Information. The anticipated repair and replacement costs are based on RSMeans data, a proprietary cost database commonly used in the construction industry, historical cost data available to the project team, and other sources. Despite the project team's efforts to provide reasonable cost benchmarks to policymakers, the project team cannot control nor predict present or future market conditions. The actual repair or replacement costs will differ from those reported.
- 4. Use of Study. This FCA is intended solely for use by School Financial Research Foundation and the Facility Owner. Use of, or reliance on, this FCA by any other party is at their own risk.
- 5. Specific Point in Time. This FCA is based on information and conditions observed at the time of observation. This FCA does not account for subsequent changes to the conditions or information relied upon, nor do they account for capital programs that are in planning, design, or under construction.
- 6. District Provided Information. This FCA relies on information provided by the Facility Owner. Inaccuracies or incompleteness of district-provided information may impact the results of this FCA.
- 7. Real Estate Decisions. While this study provides data regarding costs for repair of the Facility, informed real estate decisions should not be based on one data point. Many factors are important to consider, such as future enrollment needs, design and construction approach, available capital, operations, and community input. Decisions regarding each building need to be made in the context of the larger portfolio as well, accounting for utilization and efficiencies that could be made through realignment and consolidation (e.g., foregoing repairs on multiple buildings to demolish and rebuild one that will be better utilized).

### **PROJECT TEAM**

### **Sponsor**

The School Finance Research Foundation (SFRF) is a nonprofit organization associated with the School Finance Research Collaborative (SFRC), a nonprofit organization composed of business leaders and education experts. One of SFRC's objectives is to identify the funding needed to provide an equitable educational environment to all Michigan students.

### **Project Team**

Plante Moran Realpoint (PMR) is the leading K-12 owner's representation and real estate consulting firm in Michigan. PMR has extensive K-12 bond planning and project management experience, helping more than 100 Michigan school districts complete billions of dollars in K-12 client capital projects over the past 30+ years.

Barton Malow Builders (BMB) has been at the forefront of the K-12 construction landscape since 1925. Their team has expanded to over 116 school construction management specialists, including planners, builders, and technology design experts, all dedicated to meeting the distinct needs of school districts across the nation.

### **Participant**

Michigan-based architectural/engineering firm specializing in K-12 construction conducted an on-site facility condition assessment (FCA) for all buildings included in the study.

# **Executive Summary**

# **Approach**

The project team approached the study in three phases: strategic planning, data collection, and analysis.

Strategic planning was primarily focused on establishing the scope of the study in terms of district participation, qualifying buildings, and building components to be observed. Procurement of the architectural/engineering firms that conducted the FCAs was also completed during this phase.

Data related to participating districts' building conditions came from district records (information about building square footage, age, and programming) and the on-site FCAs. The information went through a rigorous verification process and was certified by a Michigan-licensed architect or engineer.

To determine the most cost-effective way to bring a building to health, safety, and wellness standards, the project team first calculated the cost to repair over a ten-year period and the cost to replace over a three-year period. Cost to repair is informed by the FCA building condition observations. Cost to replace is based on the space needs of the existing student population, and therefore factors in square footage based on current student enrollment. Both cost calculations account for soft costs, regional price differences, and escalation over time.

The project team then performed a costeffectiveness analysis that would allow a
direct comparison between the two figures
to determine which option; repair or
replacement, was most cost-effective for
any individual building. The outcome of this
analysis is the aggregation of the most costeffective method for all buildings.

# **Executive Summary**

# **Additional Considerations**

While this study provides rough order of magnitude repair and new construction cost data, it does not definitively determine a recommended investment. The decision to invest in capital improvements of any kind lies with each school district and a variety of factors should be considered including, but not limited to, additional capital improvement costs, current utilization, pupil enrollment projections, ongoing operating and maintenance costs. These factors are discussed further below.

# SCOPE OF THIS STUDY VS. A TYPICAL K-12 CAPITAL IMPROVEMENT PLAN

The facility needs related to health, safety, and wellness included in this study are only a portion of the various improvement items that may be included in a typical capital improvement program, such as a bond program or sinking fund. As such, the cost to repair calculation in this study, as expressed by cost per recommended square foot, will not be comparable to the estimated cost per square foot of more comprehensive capital improvement programs. The building components included in this study typically account for 25% to 75% of the overall program costs for a comprehensive K-12 capital improvement program. K-12 capital improvement programs usually include additional construction-related items like new construction, additions, renovations or remodeling, replacing interior finishes, and athletic field improvements. Also, depending on the type of program, they may include technology infrastructure, instructional technology devices, non-instructional technology, security systems, furniture, loose equipment, buses, maintenance equipment, musical instruments, etc. Capital improvement plans range in duration but typically cover the same ten-year time horizon used in this study, with bond programs usually lasting five to seven years or up to ten years and sinking fund programs usually lasting five to ten years. Projecting construction costs more than ten years into the future is not common practice because the level of accuracy of cost projections decreases as time increases. Collecting additional information regarding the current conditions and costs of the items not included in the scope of this study would provide valuable insight to districts and the state for capital improvement planning purposes.

### **OPERATING EXPENSES**

Ongoing operational and maintenance expenses were not included in this study but are another important factor to consider before investing in repairs or new construction. Operating and maintenance expenses vary by building but typically range from \$7 to \$10 per square foot annually with newer buildings with more efficient equipment systems usually costing less to operate and maintain than older buildings. These costs would be incurred by districts in addition to those identified in this study. The space needed as well as the costs to maintain and operate it should be taken into consideration, in addition to the costs identified through this study, before investment in repairs and new construction.

# **Executive Summary**

### This Study Is:

A high-level, non-invasive assessment of building conditions focused on health, safety, and wellness based on physical building observation and professional judgment.

Inclusive of professional service fees associated with construction.

Inclusive of escalation.

### This Study Is Not:

Inclusive of testing, sampling, or diagnostics of building components.

A facility condition assessment for use in the Department of Treasury's preliminary qualification (PQ) application process.

Meant to identify or correct any issues or deficiencies in any district facility regarding space or programming.

TABLE DESCRIPTIONS Section 2

The remainder of the report provides three different types of tables that report results in varying detail. Table 1 shows a district-wide summary of repair and replacement costs. Table 2 shows a summary of each FCA completed, with one table per building. Table 3 is a detailed version of Table 2 and shows each individual observation that the facility condition assessment (FCA) firm reported.

To calculate cost to repair and cost to replace, a standard cost-per-unit value was used to calculate direct costs. Additionally, all cost calculations account for indirect costs (30% of direct costs), regional price differences, and inflation (4% annual escalation).

Tables 2 and 3 are provided for each building observed in this study. The Building Category and Sub-Category columns in both Table 2 and Table 3 along with the Component column in Table 3 follow UNIFORMAT II, a classification format for building specifications, cost estimating, and cost analysis published by the U.S. Department of Commerce.

### **Table 1 - District Summary:**

Table 1 provides an overview of all buildings within your district that were observed during this study. The table is organized in to four sections: Repair Costs, Replacement Costs, Net Present Values, and Most Cost-Effective. The following is an explanation of each.

**Repair:** The Repair section includes four columns outlining costs for Critical, Near-Term, and Long-Term repairs identified during the on-site FCA. These columns categorize repair needs by recommended replacement time frame:

- Critical: within 1-3 years
- Near-Term: within 4-6 years
- Long-Term: within 7-9 years

**Replace:** The cost to replace represents the "all-in" costs to construct a new building to serve the current student population. The recommended square footage factored into the replacement cost was calculated using standard square-foot space allocations based on the current student population of each building. For ISD buildings and buildings with less than 25 students assigned for the fall of 2023, the square footage of the existing building was used rather than a per-student allocation.

Net Present Value & Most Cost-Effective: After the cost to repair and cost to replace were calculated, the net present value (NPV) of both costs were calculated to determine the most cost-effective option for meeting health, safety, and wellness standards. If the NPV of the repair costs were more than the replacement costs, then the most cost-effective value shown is the replacement costs. If the NPV of the replacement costs were more than the repair costs, then the most cost-effective value shown is the base repair cost.

### **Table 2 - Building FCA Summary Data:**

This table provides a high-level summary of repair costs by building category over time.

### **Table 3 - Building FCA Observation Detail:**

This table provides the in-depth observation data collected during the on-site FCA. The table lists all reported observations for each individual building component and groups them by Building Category and Sub-Category (following UNIFORMAT II). The FCAs were confirmed by the FCA firm and reviewed by the project team's review team. Some assessment observations have recommended replacement time frames of over 10 years, which are deemed Future in the Assessment column since the scope of the study was based on a 10-year horizon. It is expected that if an individual observation has an assessment value of Future, then the Observation Cost column will be blank, as the future costs were not estimated.

Age: The age listed is the year the item was either originally installed or replaced. If there are multiple years listed, this may be due to an addition to the building. The age may also list the approximate age of an item if the exact installation year is unknown.

### **Unit Definitions:**

- SQFT Square Foot: This is a measurement of the surface area of an item. This can be either horizontal (length x width) or vertical surface (length x height).
- EACH Each: This is a count of similar items. It is typically used for counting things such as number of similar doors or number of similar piece of mechanical equipment.
- LNFT Lineal Foot: This is a measurement of the length of an item that has at least one uniform dimension. A common use may be perimeter of an item or length of trim.
- LPSM Lump Sum: This is typically used for a singular system that may be made up of a few components that creates a composite item. This is used for items such as electrical switchgear.
- ALLO Allowance: This is used for items that do not have any other standard unit of measure. These are often unique items with only one in a building, such as items used in a pool or auditorium.

Note: All observation notes in Table 3 are presented as originally provided by the FCA firm that generated the data. As such, they were not edited for grammar or punctuation.

FCA CERTIFICATION DATES
Section 3

As part of the FCA process, firms certified that each building was assessed through an on-site observation and that the observations were correct to the best of the FCA firm's knowledge. The list below outlines the dates each building within this district was certificated.

### NMSC Nationwide Announcements of 2025 Merit Scholarship® Winners

### **April 23: Announcement of Corporate-Sponsored Merit Scholarship Winners**

About 125 companies and businesses finance National Merit<sup>®</sup> Scholarships for Finalists who meet their specified criteria. Most of the approximately 770 corporate-sponsored awards are for children of a sponsor organization's employees, but some are specified for residents of communities where a company has plants or offices, and a few are provided for Finalists who have college major or career interests a sponsor wishes to encourage. The majority of these awards are offered between March 12 and March 31.

### May 7: Announcement of National Merit® \$2500 Scholarship Winners

The 2,500 National Merit \$2500 Scholarships are the awards for which every Finalist is considered. Winners are named in every state, in numbers based on the state's percentage of the nation's graduating high school seniors. In addition, a number of recipients are chosen in the District of Columbia, schools in U.S. commonwealths and territories, schools in other countries that enroll U.S. citizens, and U.S. boarding schools that enroll a sizable portion of students from outside the state in which the school is located. NMSC's own funds support the majority of the National Merit \$2500 Scholarships, but corporate sponsors help underwrite these awards with grants they provide in lieu of paying administrative fees. The majority of these awards are offered between March 20 and April 1.

### June 4: First Announcement of College-Sponsored Merit Scholarship Winners

About 150 colleges and universities currently underwrite approximately 3,600 National Merit Scholarships in each annual competition. Only Finalists who plan to attend a college or university that sponsors Merit Scholarship awards can be considered for one. Winners are chosen by officials of the sponsoring college or university. Each Finalist who accepts a college-sponsored award must use it at the institution financing it; a change in college choice will cancel the scholarship. The first round of college-sponsored awards is offered on May 1.

### July 14: Announcement of College-Sponsored Merit Scholarship Winners

A second announcement will be made on July 14 to recognize college-sponsored awardees not included in the June 4 announcement.

### 2025 National Merit Scholarship Competition

Among all students who entered the 2025 National Merit Scholarship Program, only about 16,000 were named Semifinalists. They were designated on a state representational basis, in proportion to each state's percentage of the national total of graduating high school seniors. In order to advance in the competition and be considered for a Merit Scholarship award, a Semifinalist had to become a Finalist by fulfilling several requirements that included submitting a detailed scholarship application and presenting a record of very high academic performance. All winners of about 6,870 National Merit Scholarships are being chosen from the group of more than 15,000 distinguished Finalists.

Jason Kennedy Superiintendent Fruitport Community Schools

Dear Jason,

"I believe that children are our future. Teach them well and let them lead the way. Show them all the beauty they possess inside. Give them a sense of pride.... No matter what they take away from me, they can't take away my dignity.... Learning To Love Yourself; it's The Greatest Love of All!"

I borrowed these words from Whitney Houston in my biography at the start of my career at Fruitport Community Schools. The song became a theme for the beginning of my time at the schools. It is the same philosophy I held throughout, and now that at the end of my career, respecting the worth of human life no matter what state they may find themselves.

With this, I will inform you that I am retiring from Fruitport Community Schools at the end of the 2025 school year. The effective date for retirement will be July 1, 2025. Sincerely,

Robert & Commeya COTA

Robert L. Cammenga

<gbodrie@fruitportschools.net>

Dear Janelle.

I am writing to formally resign from my position as an instructional assistant at Shettler Elementary, effective immediately.

While this is not what I hoped for, as I have valued my time working with the students and staff here at Shettler, I understand the conflict in my new schedule.

I am grateful for the opportunity I was given to work with my son and the other students. I learned so much about special education and also about myself. It truly was a privilege.

Please feel free to contact me if you're in need of anything else.

Kindly, Rachel Schaub

Christine Bowen 562 Gardner St. Muskegon, MI 49442

Subject: Approval of Transfer Request

Dear Ms. Bowen,

This letter is to formally acknowledge and approve your request for a voluntary transfer from Fruitport Alternative Education High School to teach courses you are certified for at Fruitport High School in the fall of the 2025 - 26 school year.

After a review of your request and consideration of staffing needs across the district, we are pleased to support your transition to Fruitport High School. Your commitment to student success has been greatly valued in your current role, and we are confident that you will continue to bring the same level of dedication and skill to your new position.

Please coordinate with Lauren Chesney and the department head(s) for your new position to ensure a smooth transition of responsibilities and instructional materials.

We thank you for your continued service to the district and wish you success in your new assignment.

Sincerely,

Allison Camp

To Whom It May Concern,

I am honored to write this letter of recommendation for Olivia Zienert, Assistant Director of Young Adult Services at the Ottawa Area Intermediate School District. I had the privilege of hiring Olivia for her current role 4.5 years ago, after she had already demonstrated exceptional dedication and expertise as a teacher in the Young Adult Services program for six years. Throughout her tenure, Olivia has continuously evolved into a strong and effective leader, making a significant impact on our programs and the students we serve.

Olivia is a true team player who exemplifies servant leadership. She willingly steps into any role where support is needed, demonstrating adaptability and an unwavering commitment to our mission. Most recently, she volunteered to take on the interim Director role at Sheldon Pines School, expanding her leadership experience and showcasing her ability to lead in diverse settings. Her problem-solving skills, inquisitive nature, and ability to navigate challenges with poise and professionalism are among her greatest strengths.

Beyond her formal responsibilities, Olivia actively contributes to various committees and initiatives within the district. She is well-respected throughout Ottawa County, not only for her expertise but also for her collaborative spirit and willingness to support colleagues in any capacity. Her dedication, integrity, and ability to build strong relationships make her an invaluable asset to our organization.

I highly recommend Olivia Zienert for any leadership opportunity she may pursue. She is an exceptional professional whose impact is felt by students, staff, and the greater community. Please do not hesitate to contact me if you require further information.

Sincerely,

Jennifer Wolters Assistant Superintendent of Teaching and Learning Ottawa Area Intermediate School District

#### PUBLIC EMPLOYER CONTRIBUTIONS TO MEDICAL BENEFIT PLANS ANNUAL COST LIMITATIONS – CALENDAR YEAR 2026

For a medical benefit plan coverage year beginning on or after January 1, 2012, MCL 15.563, as last amended by 2018 Public Act 477, sets a limit on the amount that a public employer may contribute to a medical benefit plan.

For medical benefit plan coverage years beginning on or after January 1, 2013, MCL 15.563 provides that the dollar amounts that are multiplied by the number of employees with each coverage type be adjusted annually. Specifically, the dollar amounts shall be adjusted, by October 1 of each year after 2011 and before 2019, by the change in the medical care component of the United States consumer price index for the most recent 12-month period for which data are available. By April 1 of each year after 2018, the dollar amounts shall be adjusted by the change in the medical care component of the U.S. consumer price index for the most recent 12-month period for which data are available. For calendar year 2025, the limit on the amount that a public employer may contribute to a medical benefit plan was set to the sum of the following:

- \$7,718.26 times the number of employees and elected public officials with single-person coverage
- \$16,141,28 times the number of employees and elected public officials with individual-and-spouse coverage or individual-plus-1-nonspouse-dependent coverage
- \$21,049.85 times the number of employees and elected public officials with family coverage.

The limits for 2026 equal the 2025 limits increased by **2.9 percent**. The 2.9 percent is the percentage change in the medical care component from the period March 2023-February 2024 to the period March 2024-February 2025.

Thus, for medical benefit plan coverage years beginning on or after January 1, 2026, the limit on the amount that a public employer may contribute to a medical benefit plan equals the sum of the following:

- \$7,942.09 times the number of employees and elected public officials with single-person coverage
- \$16,609.38 times the number of employees and elected public officials with individual -and-spouse coverage or individual-plus-1-nonspouse-dependent coverage
- \$21,660.30 times the number of employees and elected public officials with family coverage.

MAISD BOARD OF EDUCATION

2025-2026

# GENERAL FUND BUDGET

Fiscal Year Ending June 30, 2026

APRIL 21, 2025

April 15, 2025

Dear Budget Review Representative:

I am pleased that your board has designated you to be its representative at the MAISD Budget Review for constituent districts. The budget has been prepared in a "function and program" format that should be helpful to you in reviewing the programs and services being offered by the MAISD.

The major assumptions we made in preparing the 2025-26 General Fund Budget are found on the pages immediately following this letter.

The MAISD coordinates over 100 different programs in the general education field. Our organization also oversees approximately \$43 million in special education funding. Our ISD also oversees the Head Start Program for Muskegon and Oceana Counties, as well as the Great Start Readiness Program for our constituent school districts as part of the Early Childhood Program. Additionally, the Technical Education funding for the county high schools and Career Tech Center flow through the MAISD. All of the programs see an ebb and flow of funding applications, oversight responsibility, and mandated reporting cycles handled by MAISD staff, thereby removing some of the burden of work from local schools and districts.

The funding of public education in Michigan presents us with even more challenges. We are able to accomplish a great deal when working together as a region. We have developed an economy of scale to increase productivity at all levels.

Our mission is to provide leadership, programs, and services that enhance the success of everyone it serves. As an example of this, the MAISD offers business services with four districts taking advantage of that service at this time, and also assist in coordinating collaborations in literacy coaching, school safety, operations, and technology services.

The MAISD appreciates your presence at this important meeting. As a reminder, the Budget Review meeting will take place on Thursday, May 1, 2025, at 5:30 p.m. We will limit the length to one hour and include a brief update on the MAISD's use of its general fund to help sustain local school district priorities.

If you have any questions that cannot be answered by your local district, please contact Mike Schluentz, Associate Superintendent for Administrative Services, 767-7207, or me at 767-7201.

Sincerely,

Randy Lindquist Superintendent

#### # MAISD Muskegon Area Intermediate School District

#### Major Assumptions for Preparation of the Budget

#### **Revenues**

- 1. Property Taxes/Millage
  - A 5.0 % increase in property tax collections
  - Last year's increase was 9.31% less a .9917 roll-back to the millage rate
- 2. State Aid
  - Section 81 increase of 4.0% per Governor's budget proposal.
  - Reduced interest income by about 25%
  - Section 56 increase of \$800 thousand per Governor's budget proposal.
  - Loss of Section 147a(3) and 147a(4) to match the reduction of the UAAL from 20.96% to 15.21%. A loss of \$1,575,000 in revenues. The ORS contribution savings are estimated to be around \$650,000
  - All other State Aid calculations are based on no increase over FY2024.

#### **Expenditures**

- 1. Adjustments for all salary and wage schedules as follows:
  - Center-based Teachers and Paraprofessionals 3.0% COLA plus steps.
  - CTC Teachers 3.0% COLA plus steps.
  - All other staff are budgeted with a 3.0% COLA increase plus steps.
- 2. Employee health insurance costs are based on a 3.5% increase to the state mandated cap. Dental and vision rates were maintained.
- 3. The Michigan School Employees Retirement System's contribution rates range from 30.23% to 44.93%, compared to the prior year's range of 31.54% to 41.94%. The normal retirement rates increased by 1.72% for Basic and MIP plans and by 0.82% for both Pension Plus plans. The normal health cost rose by 2.58% for all plans with a health premium subsidy. The proposed UAAL increased from 10.58% to 15.02%.

Subject: Resolution for MAISD Biennial Election – June 2, 2025

The MAISD Board of Education biennial election is scheduled for Monday, June 2, 2025, at 5:30 p.m. at the MAISD Administrative Office (Superior Room), 630 Harvey Street, Muskegon. The ISD has two board seats available that will expire on June 30, 2031.

Ms. Mary Schaab was appointed in 2018 to fill a vacancy and was elected in 2019, and her term will expire on June 30, 2025. Ms. Schaab has indicated her desire to run for re-election. Mr. Dwight Vines was elected in 2013 for a term which expires on June 30, 2025. Mr. Vines has indicated that he will not seek re-election. The terms for the two open seats will be for six years. A press release will be sent out for any interested candidates.

Districts will receive notification from the County Clerk's office after May 5 naming the candidates seeking election to the ISD Board.

Enclosed is a resolution that must be adopted by your board of education for this election. Please read the resolution carefully and note that it <u>cannot be adopted before May 12, 2025</u>. The resolution must be "considered" at not less than one public meeting (likely an April meeting) before adopting the resolution (at a May meeting).

In the resolution, your board will designate a representative (and an alternate) to serve on the electoral body and also indicate which candidates your board supports for a position on the MAISD Board of Education.

Once the resolution is adopted by your board, it must be sent to our office no later than May 27. We must have all board resolutions on file prior to the election on June 2.

If you have any questions regarding the board resolution or the ISD board election process, please call Barb Irey at 767-7201.

Thank you for your cooperation in this matter.

#### **MEETING MINUTES**

## **Meeting Location**:

Fruitport Community Schools Central Office 3255 E. Pontaluna Rd. Fruitport, MI 49415

#### Attendance:

The meeting was called to order at 5:38 p.m. with Kris Cole, Dave Hazekamp, Jason Kennedy, JB Meeuwenberg, and Mark Mesbergen present.

- 1. MAISD FY2026 Original Budget Process and Overview The Committee discussed the MAISD FY2026 original budget process. Budget documents will be shared with the District and included in the Board packet. These documents will be reviewed with the Board's delegate at the MAISD budget review meeting.
- 2. Update Regarding Hard Cap Adjustments (PA 152) The Committee discussed the annual cost limitations for public employer contributions to medical benefit plans for the calendar year 2026 that were recently released by the Michigan Department of Treasury. The limits for 2026 equal the 2025 limits increased by 2.9 percent. The 2.9 percent is the percentage change in the medical care component from the period of March 2023-February 2024 to the period of March 2024-February 2025. The adjusted hard caps will take effect on January 1, 2026.
- 3. **Update on Severe Weather Damage and Progress at Beach Elementary** The Committee was provided with an update on progress being made to repair damage to Beach Elementary School from the severe weather and high winds that damaged the building and surrounding grounds recently.
- 4. MAISD Biennial Election June 2, 2025 The Committee discussed the need to consider a biennial election resolution at the April Board meeting, before adopting the

final resolution between May 12, 2025 and May 27, 2025 to participate in the election process of board members to the two (2) upcoming vacant MAISD board seats.

5. Michigan Statewide School Facilities Study: District Level Report - The Committee discussed the district level report of the Michigan Statewide School Facilities Study for Fruitport Community Schools. A copy of the District level report will be provided to all Board members in the Board packet.

# 6. Other:

- a. Purchase of Windows for the Administration Building at 259 N. 3rd Ave., Fruitport, MI 49415 The Committee discussed three bids that were received to replace windows at the administration building, the former site of RAM Electronics. #### **MEETING MINUTES**

## **Meeting Location:**

Fruitport Community Schools Central Office 3255 E. Pontaluna Rd. Fruitport, MI 49415

### **Attendance:**

The meeting was called to order at 5:07 p.m. Dave Hazekamp, Kathy Six, and Jason Kennedy were present.

- 1. April 2025 Personnel Report The Committee reviewed the Personnel Report for April 2025. This report included each of the recommendations for new hire, resignations, retirement notices, transfers, and positions that are still posted and vacant in the District.
- 2. **Update on Director of Special Education Position** The Committee was provided with an update on the recommendation to hire Olivia Zienert as the Director of Special Education within Fruitport Community Schools and the Eastern Service Unit.
- **3. Update on Director of Food Service** The Committee was provided with an update on the replacement of the food service director by Chartwells. The Director of Food Service is employed through Chartwells, a third party contractor that provides food service management services to Districts across the State, including Fruitport.
- **4. Request for Parenting Time Leave of Absence** The Committee discussed a leave of absence request from Shettler teacher, Alexandra Gartland for purposes of child care. This is a one (1) year leave of absence request. Per the Collective Bargaining Agreement with the Fruitport Education Association (FEA), any additional child care leave within the next seven (7) years after an initial leave when a child is born, shall be at the Board's discretion and the bargaining unit member shall be returned from the additional child care leave as if they were on layoff status. It will be recommended that the Board approve the leave of absence request from Alexandra Gartland for the 2025-2026 school year.

- 5. Updates to Wage, Salary, and Benefits Handbooks The Committee discussed updates to the Early Childhood Center Agreement and Handbook, and the Non-affiliated Support Staff Agreement and Handbook. Adjustments to the Early Childhood Center Agreement and Handbook were made to reflect the recently Board approved wage increases for Early Childhood Center staff, while also updating the Non-affiliated Support Staff Agreement and Handbook to reflect leave time adjustments.
- **6. Update Regarding Hard Cap Adjustments (PA 152)** The Committee discussed the annual cost limitations for public employer contributions to medical benefit plans for the calendar year 2026 that were recently released by the Michigan Department of Treasury. The limits for 2026 equal the 2025 limits increased by 2.9 percent. The 2.9 percent is the percentage change in the medical care component from the period of March 2023-February 2024 to the period of March 2024-February 2025. # Subject to be Discussed and Policy Reference:

Updates to Wage, Salary, and Benefits Handbooks

- a. Early Childhood Center Agreement Handbook
- b. Non-affiliated Support Staff Agreement Handbook

## **Background Information:**

The Board approved an hourly wage increase of 50 cents per hour to the wage for Early Childhood Center staff at the Board meeting in March due to changes in minimum wage. The Early Childhood Center Agreement Handbook has been updated to include the new hourly wage for employees. The non-affiliated Support Staff Agreement Handbook has been updated to reflect adjustments to paid leave time, as required by the Earned Sick Time Act (ESTA).

**Financial Impact:** These updates reflect action already taken by the Board, and will not result in additional costs beyond what has been discussed in previous meetings.

# **Recommended Action:**

To approve the updates to the wage, salary, and benefits agreement handbooks for staff at the Early Childhood Center and for the District's non-affiliated support staff, as discussed.

Qualifications will be determined by individual job description and approved by the Superintendent or designee. Step placement on the Salary Schedule will be determined by the Superintendent or designee, after consideration of related job experience.

## Article III. HOLIDAYS

- 3.1 The following designated days shall be recognized as holidays with pay for year round staff working a full year (260 days) for a minimum of 20 hours per week shall be granted the following holidays:
  - Independence Day (July 4)
  - Thanksgiving Day
  - Christmas Day
  - New Year's Day

### Article IV. VACATION

- 4.1 Full-year employees shall receive vacation time. The employee shall receive one week of vacation for the first year. The employee will earn one additional day after every year of employment. The maximum number of vacation days earned in a given year is 15 (3 weeks).
- 4.2 Vacation days must be used within the contract year for which they are made available.
- 4.3 The employee shall schedule use of vacation days in a manner to minimize interference with the orderly operation and conduct of District business. All vacation scheduling is subject to the Supervisor's approval.
- 4.4 Request for use of vacation days must be submitted using the Employee Self-Service (ESS) application. Requests will be reviewed for approval by the employee's supervisor.

# Article V. AUTHORIZED LEAVES OF ABSENCE

### 5.1 Sick Leave

- A. Year round employees shall be allowed sick leave, (for personal illness), at the rate of 10 days per year. New employees shall earn sick leave after a 90 day employment period.
- B. Employees who have accumulated sick leave due to previous service but who are unable to begin a new contract year because of personal illness or personal injury shall be allowed to draw upon such sick leave accumulated until it is depleted or until resumption of assigned work, whichever occurs sooner.
- C. Accumulation of sick leave days shall be without limit.
- D. Employees who may have accumulated sick leave days under the provision of this Article and who terminate their employment with this school system for reason other than retirement shall not be compensated for unused sick leave days and shall not be carried forward in the case of subsequent reemployment by this school system. However, employees, upon retirement, receive compensation for each unused day of accumulated sick leave following Article 8.
- E. The Board reserves the right to consider all sick leave problems extending beyond the limitations set forth herein on the merits of each individual case. Any employee whose personal illness extends beyond the period compensated under this Article shall be granted a leave of absence without pay for such time as is necessary for complete recovery, (but not to exceed twelve (12) months). The position shall be declared vacant, and the employee terminated if the leave exceeds twelve (12) months.
- F. The employee shall request an absence using the designated absence management system. The request will be reviewed for approval by the Employee's supervisor.

# 5.2 Disability Leave

In the event of the employee's mental or physical incapacity to perform the duties of his/her office, he/she shall be granted an initial leave of one hundred and twenty (120) calendar days for the purpose of recovery. The employee shall first exhaust any accumulated sick leave and accrued vacation time, with the balance of the one hundred and twenty (120) calendar day period to be unpaid. Health plan premium payments shall be made on behalf of the employee during this interval to the extent required by law. Upon using leave under this provision, the employee shall furnish medical certification to the Board (or its designee) as to the need for the leave.

A. If the Board (or designee) has reason to doubt the validity of the medical certification supplied by the employee, it may require a second opinion, at Board expense.

- B. The employee may request a one hundred and twenty (120) work-day unpaid leave extension in the event of his/her physical or mental inability to return to work at the expiration of the initial leave interval, as described above, provided that there is a verified prognosis that the employee will be able to resume his/her duties at the end of the extended leave interval. Medical certification shall be supplied by the employee as a condition to any leave extension. Any extensions of leave for this purpose shall be at the Board's discretion.
- C. If the employee is unable to or does not resume work at the conclusion of a leave taken under this paragraph (or any leave extension), his/her employment and contract may be terminated at the Board's option. However, no such termination shall occur where restoration after leave is required by the Family and Medical Leave Act.
- D. Before any resumption of duty after an unpaid leave of absence for a serious health condition, the employee shall provide to the Board a fitness-for-duty certification from the Administrator's health care provider. A second opinion may be required by the Board, at its expense, unless the securing of the second opinion is precluded by the Family and Medical Leave Act.

## 5.3 Worker's Compensation

In cases where an injury is determined to be job-related and incurred during the course of carrying out the responsibilities of the employee's employment, the employee may use authorized absence leave to make-up the difference between his/her salary and the benefits provided under the Michigan Worker's Compensation Act for the duration of the absence. In the event the employee exhausts their absence leave to make-up any difference, the District will make up the difference until the 90th calendar day is reached.

# 5.4 Parental and Maternity Leaves

A maternity leave shall be granted and taken by any employee pursuant to the provisions of the Sick Leave Article and to the extent required by applicable law.

### Article VI. BENEFITS

- 6.1 All year round staff who are scheduled to work over 30 hours per week consecutively shall be offered the appropriate benefits under this article. Upon proper application and acceptance for enrollment by the appropriate insurance underwriter, policyholder, or third-party administrator, the Board shall make premium payments on behalf of the employee and his/her eligible dependents for the following insurance programs or comparable programs pursuant to Article 6.3:
  - A. Health insurance. The Board shall provide a health plan and pay the annual January statutory hard cap amount toward insurance premium and deductible subject to PSA 152 for health insurance effective January 1 of each contract year.
  - B. Insurance shall be prorated based upon year worked which includes their Health Savings Account.

- C. The Board has the right to allocate responsibility to the employee to pay a portion of the premium for the insurance coverages specified above, as may be determined by the Board in its sole discretion. Any such contribution, however, shall not be less than the amount determined by the Board as necessary to comply with the Publicly Funded Health Insurance Contribution Act, MCL 15.561 et seq. The Board will notify the employee of the premium amount for which he/she is responsible in excess of the Board paid premium contributions. The amount of premium contributions designated by the Board as the employee's responsibility shall be payroll-deducted from the employee's compensation.
- 6.2 Employees having health coverage through a spouse/other may opt out of the board paid health insurance and receive a cash benefit instead. The monthly cash amount is \$100.00. This amount is divided into equal payments over the first and second pays of each month.

# 6.3 Insurance Contracts

The Board reserves the right to change the identity of the insurance carrier, policyholder, or third-party administrator for any of the above coverages, provided that comparable coverage (as determined by the Board) is maintained during the term of contract. Additionally, the Board reserves the right to self-fund any of the benefits listed in Article 6.1.

- A. The Board shall not be required to remit premiums for any insurance coverages for the employee and his/her eligible dependents if enrollment or coverage is denied by the insurance underwriter, policyholder, or third-party administrator.
- B. The terms of any contract or policy issued by any insurance company or third-party administrator shall be controlling for all matters concerning benefits, eligibility, coverage, termination of coverage, and other related matters.
- C. The employee is responsible for assuring completion of all forms and documents needed to receive the above-described insurance coverage.
- D. The Board, by remitting the premium payments required to provide the above-described insurance coverage(s), shall be relieved from all liability for insurance benefits.

# Article VII. MISCELLANEOUS PROVISIONS

# 7.1 Expenses

The employee shall be eligible to be reimbursed for district required and approved travel, meals, and lodging in accordance with the per-diem expense and reimbursement procedures established by the Board. The employee shall be required to present an itemized account of his/her reasonable and necessary expenses in accordance with directions of the Board or its designee.

### 7.2 <u>Professional Development</u>

Subject to prior approval by the Director, the fees or dues for membership in appropriate professional organizations shall be paid by the Board. Subject to prior approval by the Director, the employee may attend appropriate professional meetings at the local, state, and national levels and shall be reimbursed for any related registration fees, tuition, travel, lodging, reasonable meal expenses for himself/herself not prepaid by the Board and in accordance with Board policy.

#### Article VIII. COMPENSATION

- 8.1 The employee shall be paid a salary in consideration of his/her performance of the duties and responsibilities of the position assigned in conformance with the requirements and expectations of the Board and Superintendent and as scheduled by the Superintendent. All compensation will be pro-rated if the employee leaves prior to completion of the contract. Appendix A aligns the position with what each salary schedule the employee is allocated to. Appendix B shows the steps for each salary schedule.
  - A. For year round employees, they shall fill out timecards for each pay period. Failure to submit timecards in the appropriate timing may lead to not getting paid on the pay period.
  - B. The Board retains the right to adjust the employee's hourly rate.
  - C. Any adjustment in salary made shall be in the form of a written amendment, and when executed by the employee and the Board, shall become a part of the employee's individual Contract of Employment.
  - D. Unless expressly stated in writing, any such salary adjustment amendment shall not be considered a new contract or an extension of the Contract of Employment termination date.
  - E. Consistent with Section 1250 of the Revised School Code, the employee's job performance and job accomplishments as evaluated will be a significant factor in determining any adjustment to the employee's compensation.

#### 8.2 Retirement (Unused Leave)

Employees that are retiring through the Michigan Retirement system shall, upon retirement into MPSERS, receive 50% of the employee's hourly wage for each unused hour of accumulated sick leave.

#### 8.3 Sick Leave Bank Capacity

A. Employees who may have accumulated sick leave days and who terminate their employment, shall not be compensated by unused sick leave days and said unused sick leave may not be carried forward in case of subsequent reemployment by this school

system.

  - Independence Day (July 4)
  - Labor Day
  - Thanksgiving Day
  - Day after Thanksgiving
  - Christmas Eve
  - Christmas Day
  - New Year's Eve
  - New Year's Day
  - Dr. Martin Luther King Jr Day (if a non-student day)
  - Memorial Day
- 3.2 The following designated days shall be recognized as holidays with pay for all school year staff (does not include the unclassified staff) working the academic calendar for a minimum of 20 hours per week shall be granted the following holidays:
  - Labor Day
  - Thanksgiving Day
  - Day after Thanksgiving
  - Christmas Eve
  - Christmas Day
  - New Year's Eve
  - New Year's Day
  - Dr. Martin Luther King Jr Day (if a non-student day)
  - Memorial Day

#### Article IV. VACATION

- 4.1 Full-year Year Round Staff-employees who are scheduled for 260 days per year shall receive vacation time. The vacation time schedule is as follows:
  - 10 days starting at employment; pro-rated at July 1
  - 15 days after the completion of five years
  - 20 days after the completion of ten years

¶

- 4.2 Vacation days must be used within the contract year for which they are made available. The Superintendent may allow carry of ten (10) vacation days.
- 4.3 The employee shall schedule use of vacation days in a manner to minimize interference with the orderly operation and conduct of District business. All vacation scheduling is subject to the Supervisor's approval.
- 4.4 Request for use of vacation days must be submitted using the Employee Self-Service (ESS) application. Requests will be reviewed for approval by the employee's supervisor.

#### Article V. AUTHORIZED LEAVES OF ABSENCE

### 5.1 Sick Leave

- A. Year round employees shall be allowed sick leave, (for personal illness), at the rate of 12 days per year. School year employees shall be at the rate of 10 days per year. Unclassified employees shall be at the rate of 10 days per year.
- B. Employees who have accumulated sick leave due to previous service but who are unable to begin a new contract year because of personal illness or personal injury shall be allowed to draw upon such sick leave accumulated until it is depleted or until resumption of assigned work, whichever occurs sooner.
- C. Accumulation of sick leave days shall be without limit.
- D. Employees who may have accumulated sick leave days under the provision of this Article and who terminate their employment with this school system for reason other than retirement shall not be compensated for unused sick leave days and shall not be carried forward in the case of subsequent reemployment by this school system. However, employees, shall, upon retirement, receive compensation for each unused day of accumulated sick leave following Article 8.
- E. The Board reserves the right to consider all sick leave problems extending beyond the limitations set forth herein on the merits of each individual case. Any employee whose personal illness extends beyond the period compensated under this Article shall be granted a leave of absence without pay for such time as is necessary for complete recovery, (but not to exceed twelve (12) months). The position shall be declared

vacant, and the employee terminated if the leave exceeds twelve (12) months.

- F. An employee may be required to provide a doctor's certificate for an absence of three (3) working days or if a pattern of absence is in evidence.
- G. The employee shall request an absence using the designated absence management system. The request will be reviewed for approval by the Employee's supervisor.

#### 5.2 Funeral Leave

The employee shall be entitled to receive up to five (5) days with pay due to death of a member of the immediate family, which shall be interpreted to mean current spouse, child, parent, grandparent, grandchildren, brother, sister, father-in-law, mother-in-law, daughter-in-law, son-in-law, step-parent, step-child, or any other member of the family who lives in the employee's home.

#### 5.3 Personal Leave

Full-time (yYear round d) staff shall be granted 3 days for personal leave. School year staff shall be granted 2 days for personal leave. Unused personal leave days will be moved to the employee's sick bank at the end of the fiscal year. If the employee fails to work a full contract year, their personal leave days will be subject to proration based on contract days actually worked.

#### 5.4 <u>Disability Leave</u>

In the event of the employee's mental or physical incapacity to perform the duties of his/her office, he/she shall be granted an initial leave of one hundred and twenty (120) calendar days for the purpose of recovery. The employee shall first exhaust any accumulated sick leave and accrued vacation time, with the balance of the one hundred and twenty (120) calendar day period to be unpaid. Health plan premium payments shall be made on behalf of the employee during this interval to the extent required by law. Upon using leave under this provision, the employee shall furnish medical certification to the Board (or its designee) as to the need for the leave.

- A. If the Board (or designee) has reason to doubt the validity of the medical certification supplied by the employee, it may require a second opinion, at Board expense.
- B. The employee may request a one hundred and twenty (120) work-day unpaid leave extension in the event of his/her physical or mental inability to return to work at the expiration of the initial leave interval, as described above, provided that there is a verified prognosis that the employee will be able to resume his/her duties at the end of the extended leave interval. Medical certification shall be supplied by the employee as a condition to any leave extension. Any extensions of leave for this purpose shall be at the Board's discretion.
- C. If the employee is unable to or does not resume work at the conclusion of a leave taken under this paragraph (or any leave extension), his/her employment and contract may be terminated at the Board's option. However, no such termination shall occur

where restoration after leave is required by the Family and Medical Leave Act.

D. Before any resumption of duty after an unpaid leave of absence for a serious health condition, the employee shall provide to the Board a fitness-for-duty certification from the Administrator's health care provider. A second opinion may be required by the Board, at its expense, unless the securing of the second opinion is precluded by the Family and Medical Leave Act.

#### 5.5 Worker's Compensation

In cases where an injury is determined to be job-related and incurred during the course of carrying out the responsibilities of the employee's employment, the employee may use authorized absence leave to make-up the difference between his/her salary and the benefits provided under the Michigan Worker's Compensation Act for the duration of the absence. In the event the employee exhausts their absence leave to make-up any difference, the District will make up the difference until the 12090th calendar day is reached.

### 5.6 Parental and Maternity Leaves

A maternity leave shall be granted and taken by any employee pursuant to the provisions of the Sick Leave Article and to the extent required by applicable law.

#### Article VI. BENEFITS

- 6.1 All year round staff and school year staff shall be offered the appropriate benefits under this article. Upon proper application and acceptance for enrollment by the appropriate insurance underwriter, policyholder, or third-party administrator, the Board shall make premium payments on behalf of the employee and his/her eligible dependents for the following insurance programs or comparable programs pursuant to Article 6.3:
  - A. Health insurance. The Board shall provide a health plan and pay the annual January statutory hard cap amount toward insurance premium and deductible subject to PSA 152 for health insurance effective January 1 of each contract year.
  - B. Dental insurance. The Board shall provide a dental insurance plan and pay the full cost of premium.
  - C. Term life insurance. The Board shall provide Group Life Insurance including AD&D with a value of \$100,000. The aforementioned benefits will be paid to the employee's designated beneficiary.
  - D. Vision insurance. The Board shall provide a vision insurance plan and pay the full cost of premium.
  - E. Long Term Disability insurance. The employee is required to enroll in negotiated long-term disability and is responsible for 100% of the premium.

- F. Insurance shall be prorated based upon year worked which includes their Health Savings Account.
- G. The Board has the right to allocate responsibility to the employee to pay a portion of the premium for the insurance coverages specified above, as may be determined by the Board in its sole discretion. Any such contribution, however, shall not be less than the amount determined by the Board as necessary to comply with the Publicly Funded Health Insurance Contribution Act, MCL 15.561 et seq. The Board will notify the employee of the premium amount for which he/she is responsible in excess of the Board paid premium contributions. The amount of premium contributions designated by the Board as the employee's responsibility shall be payroll-deducted from the employee's compensation.
- 6.2 Cash in lieu of health insurance includes all of the above benefits except health. Employees having health coverage through a spouse/other may opt out of the board paid health insurance and receive a cash benefit instead. The monthly cash amount is \$500.00. This amount is divided into equal payments over the first and second pays of each month.

#### 6.3 Insurance Contracts

The Board reserves the right to change the identity of the insurance carrier, policyholder, or third-party administrator for any of the above coverages, provided that comparable coverage (as determined by the Board) is maintained during the term of contract. Additionally, the Board reserves the right to self-fund any of the benefits listed in Article 6.1.

- A. The Board shall not be required to remit premiums for any insurance coverages for the employee and his/her eligible dependents if enrollment or coverage is denied by the insurance underwriter, policyholder, or third-party administrator.
- B. The terms of any contract or policy issued by any insurance company or third-party administrator shall be controlling for all matters concerning benefits, eligibility, coverage, termination of coverage, and other related matters.
- C. The employee is responsible for assuring completion of all forms and documents needed to receive the above-described insurance coverage.
- D. The Board, by remitting the premium payments required to provide the above-described insurance coverage(s), shall be relieved from all liability for insurance benefits.
- 6.4 As of July 1, 2024, the Accountant shall receive a non-elective 403b contribution for working at another school district. This section shall continue until the partnership ends. The payment shall be equally divided at the end of each quarter.

#### Article VII. MISCELLANEOUS PROVISIONS

#### 7.1 Expenses

The employee shall be eligible to be reimbursed for district required and approved travel, meals, and lodging in accordance with the per-diem expense and reimbursement procedures established by the Board. The employee shall be required to present an itemized account of his/her reasonable and necessary expenses in accordance with directions of the Board or its designee.

#### 7.2 Inclement Weather

Whenever weather conditions are such that school will not be conducting regular classroom schedules, notice of this decision shall be communicated (ie, radio, television, school message) as soon as can reasonably be accomplished. Unless specifically notified to the contrary, year round employees shall be expected to work, reporting in a safe and timely manner if conditions allow. School year and unclassified employees shall not be expected to work.

# 7.3 <u>Professional Development</u>

Subject to prior approval by the Board, the fees or dues for membership in appropriate professional organizations shall be paid by the Board. Subject to prior approval by the Superintendent, the employee may attend appropriate professional meetings at the local, state, and national levels and shall be reimbursed for any related registration fees, tuition, travel, lodging, reasonable meal expenses for himself/herself not prepaid by the Board and in accordance with Board policy.

#### Article VIII. COMPENSATION

- 8.1 The employee shall be paid a salary in consideration of his/her performance of the duties and responsibilities of the position assigned in conformance with the requirements and expectations of the Board and Superintendent and as scheduled by the Superintendent. All compensation will be pro-rated if the employee leaves prior to completion of the contract. Appendix A aligns the position with what each salary schedule the employee is allocated to. Appendix B shows the steps for each salary schedule.
  - A. For year round employees, the annual salary shall be paid in twenty-six (26) equal bi-weekly installments, beginning with the commencement of the fiscal/contract year (July 1 June 30). School year staff will have their bi-weekly installments from first pay in September through the second pay in August.
    - a. School year staff may request to have their pay spread over the summer, which would be spread based on the above language. If the employees does not want that, they will need to fill out a timecard.
    - b. Unclassified staff shall fill out timecards for each pay period.
  - B. The Board retains the right to adjust the employee's annual salary.
  - C. Any adjustment in salary made shall be in the form of a written amendment, and when executed by the employee and the Board, shall become a part of the employee's

individual Contract of Employment.

- D. Unless expressly stated in writing, any such salary adjustment amendment shall not be considered a new contract or an extension of the Contract of Employment termination date.
- E. Consistent with Section 1250 of the Revised School Code, the employee's job performance and job accomplishments as evaluated will be a significant factor in determining any adjustment to the employee's compensation.

### 8.2 Retirement (Unused Leave)

Employees that are retiring through the Michigan Retirement system shall, upon retirement into MPSERS, receive \$75 dollars for each unused day of accumulated sick leave.

#### 8.3 Sick Leave Bank Capacity

- A. When sick leave bank capacity of 100 days is reached, the employee may request an off scheduled payment (no retirement) of yearly unused sick leave at a rate of \$75 per day up to a max amount of \$750 in December. A written request must be submitted to the Superintendent or designee by December 1st of each year.
- B. Employees who may have accumulated sick leave days and who terminate their employment, shall not be compensated by unused sick leave days and said unused sick leave may not be carried forward in case of subsequent reemployment by this school system.

#### 8.4 <u>Vacation Payout</u>

Vacation days must be used within the contract year for which they are made available. If an employee is going to carry over more than the 10 days, the Superintendent may approve the payout of excess vacation days above the 10 that is allowed.

#### 8.5 Tuition

The Board shall provide tuition reimbursement up to \$600 in a fiscal year for year round and school year employees who have three or more years of continued employment with Fruitport Community Schools. Coursework must relate to the enhancement of the employee's work skills, relate to professional education certification, or courses necessary for the completion of a degree program. Notice of intent to take a course must be submitted prior to registration of the class and approved by the Superintendent or his/her designee.

### 8.6 <u>Cell Phone Stipend</u>

The district holds a district cell phone plan for certain support staff. The employee shall pay \$20 per month plus any cost for the device. If the employee requests or was hired before July 1, 2023, the district will provide a \$40 per month stipend for their personal cell

phone plan.

#### **MEETING MINUTES**

#### **Meeting Location**:

Fruitport Community Schools Central Office 3255 E. Pontaluna Rd. Fruitport, MI 49415

#### Attendance:

The meeting was called to order at 4:30 p.m. with Tim Burgess, Dave Hazekamp, Josh Mueller, and Jason Kennedy present.

- 1. **Reminder: Student Disciplinary Hearings** The Committee was reminded of two (2) student disciplinary hearings that have been scheduled for April 21, 2025. The first hearing will take place at 6:00 p.m., and the second hearing will take place at 6:30 p.m. on that date.
- 2. Petition for Student Reinstatement Hearing The District has received a request to conduct a student reinstatement hearing for a middle school student that has previously been expelled from the District. A board resolution to appoint a reinstatement committee will be presented to the Board for consideration at the April 21, 2025 Board meeting.
- 3. **Review MAISD District Integration Process** The Committee discussed the notes that were prepared by MAISD staff highlighting the continuous improvement efforts that are ongoing within the District. Many of these efforts are supported by staff from the MAISD.
- 4. **National Merit Finalists Announcement** The Committee discussed the continuing academic performance and achievement of our students. In particular, the Committee discussed Elijah Hulka and Lydia Shi being named National Merit Finalists.
- 5. Thrun Law Policy Updates: March 2025 The Committee discussed a policy update from Thrun Law Firm pertaining to a new policy, Michigan Earned Sick Time Act

(ESTA), Policy 4113. A copy of the policy was provided to each member of the Committee for review as the first reading of the new policy in March, with a second reading of the policy occurring in April.

6. **School Climate Survey Follow-up** - The Committee discussed concerns pertaining to school climate surveys and the response of the District. These surveys were not administered at the middle school. The Committee discussed the importance of following the recommendations of legal counsel, while also not implementing practices that would violate Presidential Executive Orders, or other legal requirements.

#### 7. Other:

- a. The Committee discussed a federal update on the anti-discrimination obligations that Districts are required to certify to continue to receive federal financial assistance. As of the Committee meeting on April 14, 2025, the compliance date has been extended to April 24, 2025.
- b. The Committee discussed the movement of Fruitport High School from Class B to Class A for the 2025-2026 school year, and potential impacts on athletic programs as a result of this reclassification.

8. **Public Comment**: None

9. **Adjournment**: The meeting was adjourned at 5:07 p.m.

Respectfully submitted by Jason Kennedy, Superintendent

# 5206-F-15 Board Resolution: Appointing Reinstatement Committee

# **Fruitport Community Schools** BOARD RESOLUTION APPOINTING REINSTATEMENT COMMITTEE

A regular meeting of the Board of Education (the "Board") was held in the Boardroom, within

the boundaries of the District, on the 21st day of April, 2025, at 7:00 o'clock in the p.m. (the "Meeting").
The meeting was called to order by Dave Hazekamp, President
Present: Absent:
The following preamble and resolution were offered by Member and supported by Member:
WHEREAS:
1. On June 24, 2024, the Board permanently expelled a student whose identity is known to the Board (the "Student") for a violation of the Student Code of Conduct and as authorized by the Revised School Code
2. The Student submitted a timely petition for reinstatement.
3. The Revised School Code and Board Policy require that after receiving a petition for reinstatement, the Board must appoint a committee consisting of two (2) school board members one (1) school administrator, one (1) teacher, and one (1) parent/guardian to review the petition and to make a recommendation to the Board on whether to grant, conditionally grant, or deny the petition.
NOW, THEREFORE, BE IT RESOLVED THAT:
1. The Board appoints the following people to serve on the reinstatement committee (the "Committee"):
Board Member 1:
Board member 2:
School Administrator: Monte Kelly, Trista Stingle, and Jason Kennedy
Teacher: To be determined by Middle School Administration
Parent/Guardian: To be determined by Middle School Administration

#### 5206-F-15 Board Resolution: Appointing Reinstatement Committee

- 2. The Board appoints the Superintendent, Jason Kennedy, to serve as the Committee's chairperson.
- 3. The Board directs the Superintendent to prepare and submit to the Committee information about the circumstances surrounding the Student's expulsion and any factors for and against reinstatement.
- 4. The Board encourages the Student and the Student's parents/guardians to submit additional information to the Committee in support of the reinstatement petition.
- 5. The Board directs the Committee to convene not later than 10 school days from today to review the reinstatement petition and supporting documentation submitted by the Student and parents/guardians and to review the information submitted by the Superintendent. The Committee may request that the Student and the Student's parents/guardians appear in person to answer questions.
- 6. The Board directs the Committee to prepare and submit to the Board within 10 school days from today a written recommendation whether the Board should unconditionally reinstate the Student, conditionally reinstate the Student, or deny reinstatement to the Student. If the Committee recommends a conditional reinstatement, the Committee shall provide the Board with a suggested list of conditions. The Committee's recommendation shall be based on all the following factors:
  - The extent to which reinstatement would create a risk of harm to other students or personnel;
  - The extent to which reinstatement would create a risk of school liability or individual liability for the Board or school personnel;
  - The age and maturity of the Student;
  - The Student's school record before the incident that caused the expulsion;
  - The Student's attitude concerning the incident that caused the expulsion;
  - The Student's behavior since the expulsion and the Student's prospects for remediation; and
  - The degree of cooperation and support that the parent/guardian has provided and the degree of cooperation that the parent/guardian can be expected to provide if the Student is reinstated, including the parent/guardian's toward possible reinstatement conditions.
- 7. The Board will consider the Committee's recommendation no later than its next regularly scheduled meeting.
- 8. The administration is directed and authorized to implement all terms of this resolution and is delegated all necessary authority to do so.

### Subject to be Discussed and Policy Reference:

Thrun Law Policy Update – March 2025

- a. Policy 4113 Michigan Earned Sick Time Act (ESTA)
- b. Form 4113 Employee Notification: ESTA

#### **Background Information:**

The Board has reviewed policy 4113, Michigan Earned Sick Time Act, and has conducted two readings of the policy updates. It is recommended that the Board approve the new Michigan Earned Sick Time Act (ESTA), to comply with the new law. Form 4113 should also be approved as the employee notification that is distributed to employees and serves as notices of the Board's policy, per the new law.

**Financial Impact:** Additional paid leave time will be provided to employees, per the new law.

### **Recommended Action:**

To approve the second reading of Thrun Law Policy 4113, Michigan Earned Sick Time (ESTA), and to adopt the policy, as discussed. This action includes the approval of both the policy and the employee notification, also as discussed.

#### **Series 4000: District Employment**

### 4100 Employee Rights and Responsibilities

# 4113 Michigan Earned Sick Time Act (ESTA) [Required for Districts with More Than 10 Employees]

#### A. General

Eligible employees will accrue paid leave as provided by the ESTA. Applicable provisions of a collective bargaining agreement, individual employment contract, or handbook remain in place and may provide additional paid leave time that is not provided by the ESTA.

Unless otherwise agreed with union representation, the ESTA does not apply to employees subject to a conflicting collective bargaining agreement in effect on February 21, 2025, until the collective bargaining agreement expires.

The ESTA does not apply to an employee subject to a conflicting individual employment contract in effect on February 21, 2025, until that contract expires, if all of the following are satisfied:

- the District and the employee signed the contract on or before December 31, 2024;
- the contract is effective for not longer than 3 years; and
- the District notified the Michigan Department of Labor and Economic Opportunity (LEO) of the contract.

#### B. Definitions

- 1. "ESTA benefit year" means the 12-month period from July 1 to June 30.
- 2. "Eligible employee" means an employee engaged in service to the District. The following, however, are not eligible employees:
  - a. an unpaid trainee or unpaid intern;
  - b. a person employed in accordance with the Michigan Youth Employment Standards Act, MCL 409.101, et seq; or
  - c. positions when the employee may schedule their own working hours as approved by the Superintendent or designee. For those approved positions, the District will not take adverse personnel action for failure to schedule a minimum amount of working hours.

If a collective bargaining agreement or contract meets the requirements in Section A above, then an employee covered by that contract is not an eligible employee until the contract expires.

- 3. "Family member" is defined as:
  - a. biological, adopted, or foster child, stepchild or legal ward, a child of a domestic partner, or a child to whom the eligible employee stands in loco parentis;
  - b. biological parent, foster parent, stepparent, or adoptive parent or legal guardian of an eligible employee or an eligible employee's spouse (under the laws of any state) or domestic partner or a person who stood *in loco parentis* when the eligible employee was a minor child;
  - c. an individual to whom the eligible employee is legally married under the laws of any state or a domestic partner;
  - d. grandparent, grandchild, and biological, foster, or adopted sibling;
  - e. an individual related by blood; or
  - f. an individual whose close association with the eligible employee is the equivalent of a family relationship.
- 4. "Earned sick time" means paid leave as allowed by the ESTA.
- 5. All other ESTA-defined terms apply to this Policy.
- C. Wait Period and Leave Reinstatement Upon Re-Employment

A newly hired eligible employee may not use accrued earned sick time until 120 calendar days after the employee's start date, unless otherwise provided in a collective bargaining agreement, individual employment contract, employee handbook, or the ESTA.

Upon discharge or other separation from employment, an employee automatically loses accrued earned sick time unless the employee is rehired by the District within 2 months of the separation.

Accrued earned sick time that is not used before an employee's separation from employment will have no monetary value. If an employee separates from employment and is rehired by the District not more than two (2) months after separation, the District will reinstate previously accrued and unused earned sick time and allow the employee to use that earned sick time and accrue additional earned sick time upon reinstatement. This paragraph does not apply if the District paid the employee the value of the employee's unused accrued earned sick time at the time of separation.

- D. ESTA Leave Accrual and Frontloading
  - 1. Leave Accrual

Unless the District frontloads earned sick time under Section D(2), an eligible employee begins accruing earned sick time on February 21, 2025 or the employee's start date, whichever is later.

An eligible employee will accrue 1 hour of earned sick time for every 30 hours worked, but the eligible employee may only use up to 72 hours of earned sick time in a single ESTA benefit year. An FLSA-exempt eligible employee is assumed to work 40 hours per workweek unless the employee's normal workweek is less than 40 hours.

Up to 72 hours of unused accrued earned sick time will carry over from ESTA benefit year to ESTA benefit year.

### 2. Frontloading Leave

For each ESTA benefit year, the District may frontload earned sick time consistent with this policy, a collective bargaining agreement, or individual employment contract.

If frontloading, the District will grant a full-time eligible employee 72 hours of earned sick time at the beginning of an ESTA benefit year. For a part-time eligible employee, the District will provide the employee with:

- a written notice of how many hours the employee is expected to work during the ESTA benefit year at the time of hire;
- an amount of earned sick time at the beginning of the ESTA benefit year that is proportional to the earned sick time the employee would accrue if the employee worked all the hours in that written notice; and
- 1 hour of earned sick time for every 30 hours worked after the employee exceeds the work hours in that written notice.

Frontloaded earned sick time will not carry over from one ESTA benefit year to the next unless authorized in the applicable collective bargaining agreement, individual employment contract, or handbook.

#### 3. Compliance Presumption

The District is in compliance with this Section D if it:

- provides an eligible employee with paid time off in at least the same amounts of time off described in the ESTA that may be used for ESTA purposes or any other approved purpose, with the time used for an ESTA purpose being subject to the ESTA; or
- is a signatory to a collective bargaining agreement that requires contributions to a multiemployer plan under the Employee Retirement Income Security Act, subject to certain conditions.

#### E. Additional Absences

Additional absences, above and beyond earned sick time under the ESTA, are governed by an applicable collective bargaining agreement, individual employment contract, or Board Policy.

#### F. Permissible Uses

An eligible employee may use earned sick time for the following reasons:

- the employee's mental or physical illness, injury, or health condition; medical diagnosis, care, or treatment of the employee's mental or physical illness, injury, or health condition; or preventative medical care for the employee;
- for the employee's family member's mental or physical illness, injury, or health condition, medical diagnosis, care, or treatment of the employee's family member's mental or physical illness, injury, or health condition or preventative medical care for a family member of the employee;
- 3. if the employee or the employee's family member is a victim of domestic violence or sexual assault, for medical care or psychological or other counseling for physical or psychological injury or disability, to obtain services from a victim services organization, to relocate due to domestic violence or sexual assault, to obtain legal services, or to participate in any civil or criminal proceedings related to or resulting from the domestic violence or sexual assault;
- 4. for meetings at a child's school or place of care related to the child's health or disability, or the effects of domestic violence or sexual assault on the child; or
- 5. for closure of the employee's place of business by order of a public official due to a public health emergency, for an employee's need to care for a child whose school or place of care has been closed by order of a public official due to a public health emergency, or when it has been determined by the health authorities having jurisdiction or by a health care provider that the employee's or employee's family member's presence in the community would jeopardize the health of others because of the employee's or family member's exposure to a communicable disease, whether or not the employee or family member has actually contracted the communicable disease.

#### G. Use of Earned Sick Time

If the eligible employee's need to use leave is foreseeable, the employee must provide notice to the District of the employee's intent to use earned sick time at least 7 days prior to the date leave is to begin. If the eligible employee's need to use leave is not foreseeable, the employee must provide notice to the District of the employee's intent to use earned sick time as soon as practicable. For leave of more than 3 consecutive days, upon District request, the eligible employee must provide the District – within 15 days after the request – reasonable documentation

that earned sick time was used for an ESTA purpose. The District will be responsible for paying the eligible employee's costs in obtaining the requested documentation.

In cases of domestic violence or sexual assault, reasonable documentation includes any of the following:

- a police report indicating that the employee or the employee's family member was a victim of domestic violence or sexual assault;
- a signed statement from a victim and witness advocate affirming that the employee or the employee's family member is receiving services from a victim services organization; or
- a court document indicating that the employee or the employee's family member is involved in legal action related to domestic violence or sexual assault.

All health, sexual assault, and domestic violence information and documentation received from an employee about earned sick time remains confidential and will not be disclosed, except to the employee, with the employee's written permission, or as and to the extent required by law.

Failure to comply with notice procedures or document requests to support the use of earned sick time, or using earned sick time for a non-permissible use, may result in discipline, including discharge.

Unless otherwise provided in an employee's collective bargaining agreement, individual employment contract, or handbook:

- earned sick time must be used in 15 minute increments; and
- an employee using earned sick time will not receive overtime pay, holiday pay, or bonuses for the earned sick time.

#### H. Notice and Recordkeeping

The District will:

- 1. provide an ESTA notice created by LEO to each eligible employee at hire or by March 23, 2025, whichever is later (see 4113-F);
- 2. display in a conspicuous location in each of its buildings the ESTA poster created by LEO; and
- 3. retain for not less than 3 years records documenting hours worked and earned sick time taken by eligible employees.

Date revised:

#### **Series 4000: District Employment**

### 4100 Employee Rights and Responsibilities

# 4113-F Michigan Earned Sick Time Act (ESTA) Form

#### **ESTA Hire Notice**

Pursuant to the Michigan Earned Sick Time Act (ESTA), an eligible employee generally (1) earns 1 hour of earned sick time for every 30 hours worked, but the District may cap use of earned sick time to 72 hours per ESTA benefit year, or (2) receives at least 72 hours of earned sick time at the beginning of the District's ESTA benefit year (prorated for a part-time employee under certain circumstances). The District's ESTA benefit year is the 12-month period from July 1 to June 30.

Retaliatory personnel action by the employer against an employee for requesting or using earned sick time for which the employee is eligible is prohibited. An eligible employee may file a complaint with the Michigan Department of Labor and Economic Opportunity (LEO) for any ESTA violation.

Terms under which earned sick time may be used are identified in the ESTA and in District Policy 4113, which terms are incorporated by reference into this Notice. An eligible employee may use earned sick time for the following reasons:

- 1. the employee's mental or physical illness, injury, or health condition; medical diagnosis, care, or treatment of the employee's mental or physical illness, injury, or health condition; or preventative medical care for the employee;
- for the employee's family member's mental or physical illness, injury, or health condition, medical diagnosis, care, or treatment of the employee's family member's mental or physical illness, injury, or health condition or preventative medical care for a family member of the employee;
- 3. if the employee or the employee's family member is a victim of domestic violence or sexual assault, for medical care or psychological or other counseling for physical or psychological injury or disability, to obtain services from a victim services organization, to relocate due to domestic violence or sexual assault, to obtain legal services, or to participate in any civil or criminal proceedings related to or resulting from the domestic violence or sexual assault;
- 4. for meetings at a child's school or place of care related to the child's health or disability, or the effects of domestic violence or sexual assault on the child; or
- 5. for closure of the employee's place of business by order of a public official due to a public health emergency, for an employee's need to care for a child whose school or place of care has been closed by order of a public official due to a public health emergency, or when it has been determined by the health authorities having jurisdiction or by a health care provider that the employee's or employee's family member's presence in the community would jeopardize the health of others because

of the employee's or family member's exposure to a communicable disease, whether or not the employee or family member has actually contracted the communicable disease.
