Parents and Guardians,

Looking into next week, here are a few reminders as we wrap up the school year:

*All students are expected to turn in their chromebooks to their 6th hour teachers. CTC students will turn them into the media center. The exception to this are students taking summer school and those who were pre-approved to keep them over the summer for academic purposes.

*Exam waivers: Mr. Rogers emailed the list on Friday afternoon of students who qualified for the exam waiver. Your student should check his or her email to confirm that they qualify for the exam waivers. If your student has a question, he or she can email Mr. Rogers. Please note that they should also check their grades in PowerSchool. The qualifying grade is an 83% in the class. PowerSchool will close for grading purposes on Monday at 8:00 a.m. and will reopen on Friday afternoon.

*The high school office will close for the summer on June 25th. If your student needs a work permit after this date, they can be picked up and processed in the superintendent's office.

We hope everyone has a great summer and we will see them all back in August. Registration dates are noted in the upcoming dates below. You will be receiving a flyer from Geskus in late July or early August. Even if you don't plan on ordering pictures, your student needs to bring the flyer with him or her to register.
